CSS/SASS

JavaScript

ReactJS

GIT/Github

### PROFILE

I am Sandro Buzhghulashvili, a student and a passionate front-end web developer. My journey in the world of web development has equipped me with a strong command of essential technologies, including HTML, CSS, JavaScript, React, and Sass. Also, I completed several coding bootcamps, where I got basic understanding of Angular, Node.js, Express, and MongoDB. I'm currently focused on enhancing my React skills and have aspirations to become a MERN stack developer in the future. Explore my portfolio to see my work and my journey in web development.
